OLE MISS HEAD COACH HOUSTON NUTT

(Opening Statement)

"I'm really proud of our team and thought they executed really well. We kept pressure on the quarterback and stopped them when we really needed to stop them. I was proud of our offensive line when you rush for more than 200 yards and have backs running hard."

(On the crowd)

"Our fans were truly the 12th man today. They were outstanding. They played every play with us."

(On Jevan Snead)

"Other than one decision today, I thought Jevan (Snead) was perfect. On the out route he took a shot at the post corner and it got tipped up and intercepted. Other than that, he threw the ball away and was very accurate. He's a wonderful quarterback. He's a competitor and a winner. Our offensive line gave us time to throw today and the receivers executed."

(On Dexter McCluster)

"Dexter McCluster was the key today. You line him back at seven yards and they have to defend that. Now our passing game takes off. That's the game we wanted to play. He's a true weapon (wherever he line up on the field). It helps when the quarterback can turn and hand the ball to him and he can stretch the field. He's a difference maker."

(On the defense)

"I was proud of our defensive front. They held their gaps and played hard. The linebackers did a good job of bottling up Michael Smith. It was gang tackling. Everyone did a good job of just doing their job. It was fun to watch."

(On the emotion of the game against his former team)

"It's hard when you've been in the living rooms of those players and know their families, that's what makes this week difficult. It's about relationships. We have a good relationship with those kids and they are good players. It's hard. You can't throw that away."

POSTGAME QUOTES

Ole Miss Players

#22 RB Dexter McCluster

Opening comments

“I knew I had to be patient. My time would come. Today, it came, and getting the ball that much is a dream come true. When I am out there I am just running. I didn’t know how many yards I had. I am just trying to fight for every inch.”

On the screen pass

“Coach called a screen pass to me and told me to lock the ball up. Once I caught it, I saw nothing but green. I got some key blocks from my offensive linemen. It was off to the races from there.”

#4 QB Jevan Snead

On his protection

“I couldn’t be prouder of my offensive line. They’ve been improving every week. This is no exception.”

On running the ball more

“No one really told me to (run the ball more), I was just trying to keep the drives alive.”

#3 WR Shay Hodge

On the offense

“We played very good. This feels like last year, how we put Dexter at running back. To see him do his thing was amazing.”

On the Arkansas defense

“We knew they had a couple of weaknesses in the secondary. We tried our best to exploit them. Putting Dexter back there was a game-changer. Jevan played really good and did a good job of throwing the ball out of bounds when he was supposed to.”

On Auburn

“We’re looking forward to every game. We are trying to take off.”

#8 DB Marshay Green

On the defense

“We had a big-time challenge coming into the day. They have a lot of good receivers. They have a big-time quarterback. We were up for the challenge.”

On returning to play

“It felt good being back.”

On the physical play of the secondary

“We got in the faces of the wide receivers. Coach Nix had a good gameplan. We bumped them all game.”

#20 S Johnny Brown

On the defense

“The defense played great. If they (Arkansas) had not gotten a tipped pass they would have looked worse (on offense).”

On his sack

“It felt great. But my teammates freed me up. It came real quick, and I had to make a play.”

On shutting down Arkansas offense

“It felt real good. Arkansas was our first real offensive challenge. Their quarterback can really throw it and they got a fast running back. We had to play disciplined. We got the win.”

On having Marshay back

“He brings energy to the defense. He won’t let the defense play flat. He raised the defensive intensity real high.”

#86 DE Greg Hardy

On Arkansas offense

“They schemed well against our defense. We came in at halftime and worked it out. We got us a lot of one-on-ones. We just went out there and gave it our all.”

On the offense staying on the field

“We’re fresher to go. We can get on the edge and get more pressure on the quarterback, so he can’t make those accurate throws. Our goal was to get back there and get after him. We had a lot more energy and poise.”

On the third down stops

“It’s big-time getting a good team off the field on third down. It was good to get our offense back on the field to run the clock down and put more points on the board. It gives us more confidence.”

ARKANSAS HEAD COACH BOBBY PETRINO

Opening Comments:

“That’s about as disappointing as it gets. They beat us in all phases. They beat us in defense. They beat our offense up. They won the special teams. We didn’t match their intensity early. We didn’t come out and execute on offense. We had a hard time protecting the quarterback and running the ball. That’s about as disappointing as it can get after having a great battle last week, then taking a huge step backwards. “

Can you put a finger on the reason why your team lost?

“I have to do a better job of getting us ready to play. We have to do a better job of being physically ready to play and emotionally being ready to play. That falls on me.”

Do you think it was hangover from the Florida game?

“It’s hard to know what the cause is, but we worked hard and have been trying to get ready in practice. Our guys came out and practiced hard. You have to take your hat off to them. They executed and made all the plays out on the field [Ole Miss], we left some out there.”

On the pass rush of Ole Miss

“We knew going in it was going to be a difficult task blocking those defensive ends. It seemed like anytime it was a critical play, they won the battle. We committed a few times, committed to max-protection, but they won the battle. I think there was a few plays there where we could have gotten the protection, we had guys open, we could have made the plays, but every time in the game where we had a chance to get back into it, their defensive line and linebackers got to our quarterback. They rushed him or hit him.”

On Ole Miss’ high completion percentage on third-down

“That was the biggest thing we talked about at half-time. That was the difference in the game. Their converting all their third-downs, and stopping us from completing our drives. We haven’t been good on third down all year long. We have to do a better job on protection. We have to do a better job of standing in there and delivering the ball. The quarterback has to stand in there and take a hit, and deliver the ball. Obviously, we took some great hits out there, so as anything it’s always a combination of everybody. On defense we didn’t get to the quarterback like we have been. He [Snead] did a nice job of delivering the ball. He did a nice job of running with the ball.”

On the play of Dexter McCluster

“They did a good job getting him the ball. We knew that going into the game. They talked all week long about him not being involved in their offense. They lined him up at tailback. He made great runs. He played with tremendous effort. We didn’t tackle well, and we didn’t match his effort. He had a great game.”

Arkansas Players

Quarterback Ryan Mallet

On the pass rush...

"We just didn't execute and we just had a lot of things go wrong. We just have to come back next week and fix those problems."

On the frame the mind...

"We weren't flat, we just didn't come out and execute. I'm going to tell you that 20 times today. We got beat, but we have a good football team. They controlled the ball because they didn't want our offense to have the ball."

On the offense...

"We had a couple of miscues here and there. We killed ourselves. They are a good football team, but if we execute, the game isn't like it turned out to be."

On the team's performance this season...

"I speak for the team when I say we took a step back today. We have to regroup and come back together and get it done next week."

Wide Receiver Carlton Sanders

On his performance...

"We had a couple of guys go down so that gave me more playing time. Today was my day to get out there and I was just doing what I could to try and help the team win."

On the touchdown play...

"It was just a deep route to Greg (Childs) and I knew that if Ryan (Mallet) got some time he was going to throw it deep to him. When I was coming off my route I felt the safety stay on top of Greg, and I had a feeling Greg wouldn't be able to jump up and catch it. I just tried to hustle over there and get in position and hope he tipped the ball up in the air to me."

On the receiving game...

"We practiced well all week, but for some reason we didn't play well. We just have to get back at it in practice next week."

Offensive Guard Mitch Petrus

On the game...

"We just didn't go out and get the job done. Week after week we have a tough game and there are no pushovers. We know we are good, but just because we know we are good means we are going to go out and play good. It seems like on every play we had nine or 10 guys doing their job, but it was just like it was one guy who didn't make a play."

On the Ole Miss defensive line...

"Basically we had a gap and we were still letting guys through that, and that is unacceptable. We have to go back and look at film this week because that is unacceptable. We're not giving Mallett enough time in the pocket, so we have to get that corrected for sure. Our frame of mind has to be different."
