***Opening comments***

“What a win for these seniors. What a way for them to go out in Vaught-Hemingway. They’ve got a lot of heart. I’m really proud of them. It took everybody. I was concerned when we didn’t score right down there in the end. I was prepared for overtime. When they didn’t make the two-point conversion, I was scared about the onside (kick). We teach the front line if it’s too hot let it go, and the second line will get it. They timed it up just right, and they have great athletes. You were holding your breath every play. Our defense was outstanding. They got some sacks at the right time, got pressure on them at the right time. Our guys just played. We dedicated this game to the seniors. I’m really proud of them.”

***On allowing McCluster to throw***

“I don’t mind him throwing the ball when he’s away from the traffic. When you’re in the wild rebel you’re at least 5 foot 8, and he can’t see the play. We knew all eyes would be on him. I was trying to get it so he would have time to really stretch it. He did a beautiful job of selling it, and as soon as I saw the safety and the corner suck it, and Shay sold it too. He broke down like he was going to crack the safety like he’d been doing the previous play. When you’re running counters, in their mind its stop No. 22 and here he comes, it’s going to be a three-yard gain.”

***On the play of Jevan Snead***

“Awesome. To handle the clock the way you want to, manage the game, make some key throws, and he didn’t throw an interception. That’s the bottom line. Don’t turn it over. When you don’t turn it over, you have a chance. We’ve become a good offense when we don’t turn it over.”

**POSTGAME QUOTES**

**#4 QB Jevan Snead**

*On the play of the offense*

"I think we did a great job. There were a couple of times where we stopped ourselves, but as a whole I think we did an awesome job. I couldn't be happier."

*On having Dexter McCluster at running back*

"I think anyone in the country would be glad to have him back there at running back. I'm extremely happy for him."

*On winning on Senior Day*

"It was amazing. We knew coming in we were playing this game for our seniors; all of them. To come in and win a game like this, it's a feeling I really can't explain right now."

**#22 WR/RB Dexter McCluster**

*On the play of the offense*

"The offense played good. The offensive line was very physical. I think they pretty much dominated the whole game and opened the lanes. It was good, hard football. The receivers were out there catching the ball, so I think we did pretty good. We managed the ball game and went out there and got points."

*On winning on Senior Day*

"It is what we wanted. We wanted to go out with a bang. We wanted to win. The last home game was very emotional, but it was good to go out there and win it for us."

**#3 WR Shay Hodge**

*On tonight's game*

"It was a great game, down to the wire. I think the offense played very well. It was a great way to go out on senior night. I'm very proud of Jevan. He played great tonight."

*On his touchdown*

"It was a trick play. They both went after Dexter (McCluster) because he's been running the ball so well, but they didn't expect him to throw it."

**#7 LB Patrick Trahan**

*On the team's performance*

"We just came together as a team, and it's just what we've been wanting this whole season. When we get everything clicking on all sides, we're hard to stop."

*On playing against LSU*

"Coach called each play and I just ran them. Playing this team is a big thing, being from Louisiana. I was thankful that coach called the play, and I ran it to the best of my ability."

**#40 DE Kentrell Lockett**

*On the team's performance*

"It was about coming together for 60 minutes, working hard and coming out with the victory. We knew coming into this game that it was going to be a big challenge for the defense, and we were up to the challenge."

*On blitzing the quarterback*

"The coach sent me because I was hungry, I needed to eat, and the quarterback was my lunch."

*On defeating LSU*

"That's what it's all about, having bragging rights that we beat Louisiana. We beat LSU my last two years. We came here to protect our house."

***LSU Head Coach Les Miles***

***Opening Statement***

“We played a very inspired game, a very competitive game. I can only tell you that the management at the back end of the game was the issue. I think the blame without question is when my quarterback needs to throw it away and we’re calling a timeout to save as much clock time as we can but then we’re late to the field. Again, I take that to myself. Down to the one with one second, they had a difficult time getting the chains moved. We could have gotten lined up to kick a field goal with one second. That would certainly have been the end of the game that we would have foreseen. It’s interesting, I felt like the team played awfully hard. I felt like our defense played better in the second half than in the first. I think guys came back from mid-game issues. It’s my fault that we didn’t finish first in that game.”

***On the end of the game***

“We were throwing balls that should have been ruled incomplete. If he steps back there to throw understanding the situation and it’s not there, let it go. He’s trying to keep the play alive and that puts us in the initial issue. We were close enough to kick the field goal at that point, even though long, close enough to kick. Then we throw a screen to pick up some yards down the boundary and get out of bounds and so that was ill-fated as well. That play, the clock ran down, timeouts were being called verbally and I didn’t relate to the official apparently and that was the mistake. We didn’t know that it hadn’t been called and then we come down to nine seconds and the opportunity to get a first down and we make it the play there after. It was a very long position to be in to go for the Hail Mary, then, we make a great catch. Those seconds that ticked off before would certainly have made a difference because if we clock that ball, we then have to opportunity to kick the field goal to win.”

**POSTGAME QUOTES**

**#7 CB Patrick Peterson**

*On the halfback pass that gave them the lead for good*

"They had a nice running game going. I didn't see any of my teammates, and I thought I could make the tackle. Shay Hodge made a great play and got behind me for the touchdown."

*On the field goal block*

"Coach talked to us about being one of the best field goal blocking teams in the country. Al Woods got a great jump on the ball and blocked it, and I saw it come out to the left. I saw (Kelvin) Sheppard try to get the ball too, but I decided to get it and I ran it to the end zone."

*On the onside kick and being out of bounds*

"I really can't speak on that. I just thought I was going to get the ball, but it was too high. I think they said whenever I came down with it, the ball was out of bounds, when my feet were in."

**#54 LB Jacob Cutrera**

*On Halfback pass*

"They weren't really trying play-action fakes like that. Everybody flew to the ball real hard. They got a player open, and they just did a good job and made the play."

*On Dexter McCluster*

"He's a great back. He's a tough guy to catch, he's so quick. He's just unbelievable, the way he saw the holes in the defense. It was incredible."

**#80 WR Terrance Toliver**

*On that last play*

"On the last play we were trying to score a touchdown before time expired."

*On lining up in different spots during the game*

"Because of injuries, we had to switch to different positions this game. I played some of the Z and the X, and we were going from four-wide to three-wide."

*On Jordan Jefferson*

"He was pretty confident. We just couldn't convert on certain plays, but he was very confident. He threw the ball well. The Ole Miss defense was getting in the backfield a lot, and a lot of times he had to throw out of desperation."
