- UAB and Ole Miss met for the first time in series history; however, it is the 15th time the Blazers have squared off against an SEC opponent. UAB dropped to 2-13 all-time against SEC foes; however, only once has the Blazers played an SEC opponent on their home field (Mississippi State, Sept. 23, 2006).
- With 121 yards rushing on the night, senior quarterback Joe Webb has eclipsed the 2,000 yards rushing for his career. Webb, who is now one of only three UAB players and the only quarterback to ever rush for more than 2,000 yards in a career (Pat Green and Dan Burks), currently has rushed for 2,038 yards during his four-year career.
- Quarterback Joe Webb now has three 100-yard rushing games this season and seven for his career.
- Joe Webb's fourth quarter three-yard touchdown run marked the 19th rushing touchdown of his career and sixth of the season. His career rushing touchdown number currently ranks third in UAB lore, six touchdowns behind second-place Corey White (25).
- Joe Webb's interception in the first quarter marked the first UAB turnover since the second period of the Sept. 19 contest at Troy – a span of 10 quarters.
- Rodell Carter's 42-yard reception late in the third quarter marked a career-long catch for the junior from Mount Pleasant, S.C.
- Freshman kick Josh Zahn connected on 2-of-3 field goals in the contest, bringing his season total 10-of-12 on the 2009 season. Zahn missed a 41-yard field goal in the first quarter and connected on a 43-yarder and a 34-yarder in the fourth quarter. He is now 3-of-5 on the year on field goal attempts between 40-49 yards.
- Tonight's Ole Miss game was the first of three straight road contests for the Blazers. UAB, which plays at Marshall next Saturday, is in the midst of a stretch of 37 days between home games – the longest such stretch in the country this season.

OLE MISS HEAD COACH HOUSTON NUTT

OPENING COMMENTS

“There’s nothing like winning. That was a good dose of medicine that we needed tonight. Our guys came out from the kick-off return on. Jesse Grandy’s run was beautiful. It set the tempo for us. Our offensive line did a good. They opened up some holes for us. Our backs ran hard. Rodney Scott gave us a lift tonight. If you look at our freshman from [Nathan] Stanley, Rodney Scott, Jesse Grandy, D.T. Shackelford, Joel Kight, we’ve got some outstanding freshman that are really making a contribution. We’ve got some guys that have gone down with injuries, and these guys are stepping up for them. I thought Jevan [Snead] got back on track tonight. He was 15-for-22 for over 240 yards and 3 touchdowns. That’s the Jevan that we know, and hopefully we can take off with that. Defensively, UAB’s quarterback is good. They’re hard to defend, but we’ve been playing good defense all year long.”

On execution of the game

“When you go into a non-conference game after being so disappointed last week against Alabama, it’s easy to slop around. It’s easy to lose focus thinking about the next conference game, but our guys didn’t do that. We needed to get better, and we got better tonight.”

On the play of Jeremy McGee

“The corner spot is a very difficult position. He has a lot of responsibility. He came in and got us an interception, and he just did a good job stepping in there for us with Marshay [Green] out. Other guys stepped up for us. Andrew Harris is another one that stepped up.”

On the play off Rodney Scott

“He gives us a lift. That’s what it looks like. He gives us real energy. He hits the hole with some authority. He probably earned a few more carries tonight.”

On the play of UAB’s quarterback, Joe Webb

“He’s so athletic. He’s rangy and fast. Our guys finally starting tackling better. He’s good. He’s a good player.”

On the Ole Miss kicking game

“Tyler [Campbell] and Andrew Ritter, those guys have been outstanding. I’m just really proud that we have them for the next four years, and we don’t have to worry about kicking or punting. They’re only going to get better. I think they get a little nervous sometimes, they try too hard. When they relax they can boom it, and it changes the real estate from one end of the field to the other.”

POSTGAME QUOTES

Ole Miss Offensive Players

Senior WR Shay Hodge

On offense

"I think we did very good. It's good to see Jevan get back on page and the running game to get going. It's fun to see all the young guys get touchdowns, because they're going to need it when we leave.

On the kickoff return for TD

"It's big time. You don't have to go out there on offense and the defense goes out there and stops them. It's boosted everybody. Like coach said, special teams will either knock you down or get you up."

On Arkansas

"I am looking forward to that game. They're a pretty good team, especially on offense. They played Florida pretty tough today. Obviously they're good on defense."

Junior QB Jevan Snead

On game

"I am extremely proud of our offense. We didn't come out necessarily well right there at first, but came back and got things rolling. I thought this was a game that we needed this to happen. Everybody stepped up. We did a great job."

On the getting back to SEC play

"We are excited to get back into conference play. Excited about this win, but at the same time, we're ready to get going to work tomorrow to work towards Arkansas and see what they have."

On that game last year

"We know that they're going to play us hard. They have a lot of talent as well. We're going to have to be ready for them. I think this will be a game that will get us going."

Freshman RB Rodney Scott

On his first touchdown

"I loved it. It felt really good that I helped the team. I give most of the credit to the offensive line."

On the offense

"We got our swagger back. Everybody was doing what they had to do."

On the opening kickoff return for TD

"That got the whole team pumped. It changed everything. It makes our jobs a lot easier. It makes us feel good as an offense."

POSTGAME QUOTES

LB D.T. Shackelford

On the defense...

“We played good. Everyone played as one unit. We came out on Monday at practice giving it all we had. The outcome was good, and now we have to get ready for conference play.”

On his play...

“I feel good. I feel ok. It’s not about me, it’s about the team. We’re just going to get ready for the next game.”

On containing UAB QB Joe Webb...

“He’s a good athlete. You have to give a lot to their team. They’re a very good team. We were just able to come out and play well tonight.”

CB Jeremy McGee

On the defense...

“I think we played good enough, but we should’ve played better. That’s not the way we play defense. We play much better than that. I don’t want to take anything away from the win, but we’re a better defense than that.”

On playing without Marshay Green...

“We feed off each other. Even though Marshay was out, he was a big voice on the sideline cheering us on. We just stepped up and fed off Marshay and fed off the other guys’ energy and just kept going.”

On Arkansas...

“We have to work hard. Arkansas has a pretty good offense and a pretty good quarterback.”

DE Kentrell Lockett

On the defense...

“We were slow at first. We came out flat. We picked it up and we started playing ball the way we know how”

On qb pressure...

“I think we had some good pressure. We contained (Joe Webb) him a lot. He made plays. He did what he was supposed to. He got in, got out and scrambled really well. We tried to bottle him up, and we succeeded sometimes and at times he got the best of us.”

On next week...

“We’re going to try to alter his passing in any type of way and just make him uncomfortable. Were going to try and get after him a little bit. No quarterback likes to get hit.”

POSTGAME QUOTES

UAB Head Coach Neal Callaway

Overall thoughts...

“Congratulations to Ole Miss. They played great offensively and defensively. The kick-off was bad by us, good for them. We were disappointed in the way it turned out. We are ready to move on.”

On the first quarter...

“Other than the kicking game, I thought we started off pretty good as a team. Obviously the opening kick-off wasn’t very good. You have to play for 60 minutes. They obviously took it to us pretty good.”

On physical play...

They were about like what we thought they would be. I thought our defensive line would be able to do some things better, but it didn’t work out that way. That’s to their credit.

On qb Joe Webb...

“We ran the quarterback. It was a nice job blocking up front, but again we didn’t get any points out of it which is not good. Joe is a good athlete, and we’re happy to have him on our team.”

On next week...

“We’re going to go home, watch the film, put it behind us and get ready for Marshall.”

POSTGAME QUOTES

UAB Players

Senior quarterback Joe Webb

On the first quarter offense

"We moved the ball pretty well on a pretty good defense, one of the best defenses in the nation. On the first couple of drives we kind of stopped ourselves. Overall, I feel like the offense did a pretty good job."

On missed opportunities

"On the first the drive, the interception was pretty big and on the second drive we missed a field goal. So we came out pretty well and fought pretty well from the beginning. We just couldn't finish it, but that's football. We just have to go back and watch tape and see what we can do better."

On the Ole Miss defense

"The defense did pretty much what we thought they would. They did what we expected them to do, but we just couldn't catch a break. We have a pretty big game next week in conference, and that's the game we need to be preparing for now."

Junior defensive end Derek Slaughter

On the opening kickoff

"The opening kickoff wasn't really deflating because the offense moved the ball pretty well after that. The defense did pretty good in the first quarter, we just didn't execute. They made plays and we didn't."

On the Ole Miss offensive line

"They were a pretty good team up front. They came out and played hard and moved the ball. It was basically what we expected. We knew coming in that they would be a physical team."

On the Ole Miss offense

"We didn't think our defense was going to give up that many points. At the same time, they executed and we didn't. That's really a big reason why they got as many points as they did."

Freshman linebacker Marvin Burdette

On coming back close to home

"It was like old times. It was a different team, but the same support. It just feels great."

On the game

"The team came out and did its best. Everybody had bumps and bruises and everybody made mistakes, but we still did our best. It was unfortunate that it ended like it did."
